Thursday July 24, 2014 • 7:00 – 9:00 pm

Corte Madera Town Hall, 300 Tamalpais Dr.

This is a second public meeting to collect citizen input on the preparation of the 2015-2023 Housing Element Update. The Housing Element is part of the Town's General Plan and provides goals, policies, programs, and strategies for addressing local housing needs.

Staff will present an overview of the housing element process, explain the requirements for the next housing element, and will take your feedback and comments. The information presented will be identical to the information presented at the June 30, 2014 public meeting. Community participation is an important part of the Housing Element process and the Town welcomes our community members to provide input. Public Hearings before the Planning Commission and the Town Council will also be scheduled later this year. The workshop will provide residents and interested parties an opportunity to talk about housing needs and strategies in Corte Madera.

Questions regarding the workshop should be directed to Adam Wolff, Planning Director, at (415) 927-5059 or AWolff@ci.corte-madera.ca.us. Information on the workshop will be posted on the Town's website at www.ci.corte-madera.ca.us.
